**Scarcity of life saving drugs**

2038. SHRI E.M. SUDARSANA NATCHIAPPAN: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether it is a fact that most of Government hospitals do not have even basic life saving drugs which cause great inconvenience to the patients and even leading to casualties;

(b) if so, the details thereof; and

(c) how do Government propose to tackle this problem so that at least basic life saving drugs are provided to the patients in the case of emergency?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) to (c) Essential and life saving medicines are available and there is no shortage of such medicines in various Central Government Hospitals. The medicines for various Central Government Hospitals are procured from Government Medical Stores and also through Annual Tenders. If not available through above sources, local purchases of required medicines is also made.
